**Description:** The tour starts at the information hut at the Lenzanger parking lot. The hike then takes you past dark moor ponds, towering tree giants, and tall pine trees. Through romantic clearings, alongside spruces, and past huge rock formations, the tour transforms the landscape into a green jungle. Visitors learn about the special features of the natural jewel in the Rauris Valley head from the ranger. After leaving the primeval forest, the hike passes numerous taverns along the road back to the starting point.
