Description: We will take a bus from our meeting point to Finkau. From there, the hike begins on a well-maintained path to the Leitenkammerklamm. Viewing platforms offer an impressive insight into the world of the gorge. Along the stream, dipper birds as well as river and mountain wagtails can be observed. From Trisslalm (1,584 m), a trail leads us through old stone pine forests above the tree line to the Wildkar Hochalm. We will return to the starting point of our tour via the scenic Leitenkammersteig trail.
