**Description:** Early in the morning, we will meet at the parking lot in Ferleiten. From here, we will drive along the Grossglockner High Alpine Road to the Glocknerhaus on the Carinthian side of the High Tauern. Passing Pfandschartensee, we will ascend to the col, gaining 600 meters in elevation. The challenging climb is rewarded with a breathtaking view of the surrounding 3000-meter peaks of the Glockner group. From here, there is an option to ascend the somewhat exposed trail to the 3029-meter high Spielmann. Descending through Pfandlböden, we will reach Trauneralm. A visit here is a great opportunity to rest and replenish. For the return to the Ferleiten parking lot, we will arrange transportation via taxi.
