Description: The cars remain at the Trattenköpfl parking lot. From here, we begin the ascent with a beautiful view of the roaring Krimml Waterfalls. The path takes us past impressive Swiss pine vegetation to the Seekarhütte. We hike over lush alpine meadows, passing by Seekarsee, to reach the Seekarscharte. After a well-deserved break, we start the descent through the expansive Wildkar, passing the lake of the same name, until we reach the Wildkarhochalm. Next, we follow the Swiss pine-rich Leitenkammersteig to the Breitscharte. Crossing the Schönmoos Hochalm, we reach the Schönmoosalm bus stop on the Gerlosstraße. The post bus takes us back to the starting point of the tour.
